Your **Instant Profile Ranking** has been generated based on the self-provided inputs during the creation of your detailed profile. The RTCAT system evaluates key profile indicators using a robust and realistic backend scoring algorithm. Please note that documentation verification is not conducted at this stage.

Candidates are graded based on their National Percentile, which reflects their rank among all candidates. The grades are mapped to specific percentile ranges:

Grade A (Top 33%): Percentile scores from **68-100**

Grade B (Middle 33%): Percentile scores from **35-67**

Grade C (Bottom 34%): Percentile scores from **0-34**
