About Me

Experienced and results-driven professional with over 15 years in business analysis and training management. Proven expertise in designing and managing large-scale training programs, data analysis, reporting, and ISO 9001:2015 quality audits. Successfully collaborated with organizations like UNICEF, Microsoft, and British Council to develop frameworks and launch capacity-building and technology-enabled initiatives across diverse educational and development settings.

Education

MS Management Sciences

2017

National University of Modern Languages
Major Subjects:
CGPA: 3.75

Masters in Public Administration

2008

Punjab University
